This recently renovated home offers an abundance of features that make it an ideal retreat for any family. Nestled on a quiet street, this property boasts large interior living spaces, breathtaking views, and a meticulously landscaped garden.

Key Features:

- Fully Renovated:** This residence has undergone a complete transformation, ensuring a modern and stylish interior throughout. The ground floor's well-designed living room features adjustable lighting control, creating the perfect ambiance for any occasion.
- Beautiful Views:** Enjoy the serenity of your surroundings with stunning views that can be savored from various vantage points within the home. Tinted windows not only provide a cool retreat during the summer but also ensure privacy in the bedrooms.
- Large Master Bedroom with Study:** Work in peace overlooking beautiful views from the study attached to the master bedroom.
- Ample Parking and Workshop Garage:** The spacious front yard accommodates parking for 2 to 3 cars, with an additional garage that can be easily converted into a workshop space for hobbyists and DIY enthusiasts.
- Lush Gardens:** Embrace nature in your own backyard with a meticulously landscaped garden spanning three levels. This green haven provides ample space for flowers and vegetable planting, offering a serene escape just steps from your door.
- Pet-Friendly and Child-Safe:** The fenced backyard and side yard include a designated pet area, ensuring a secure environment for your furry friends. Children can play freely in the sunlit spaces, surrounded by the safety of a well-maintained fence.
- State-of-the-Art Security:** Benefit from a first-class security system with 24/7 professional surveillance, featuring five cameras covering the entire property. Sliding windows and smart technology at the main entry enhance safety measures.
- Top-Quality Kitchen:** The extra-large kitchen is a chef's delight, equipped with top-quality appliances and cabinets. The cabinet hinges come with a lifetime warranty from a reputable German brand, ensuring durability and functionality.
- Modern Lighting and Connectivity:** LED downlights throughout the house offer three adjustable colors, catering to your preferred atmosphere. Newly installed electrical wiring, water pipes, and an upgraded internet network provide comprehensive coverage with no dead zones on both floors of the home.
