36 Hibiscus Street, Walkamin, Qld 4872

Area: 871 m2

Type: Residential Land

Zach Reid

**\$136,000**

Located on the convenient Hisbiscus Street in Walkamin; this block of land already contains a storage shed ideal for use immediately to store belongings or as a space for a boat for your weekend trips to the dam. Longer term there is space to build a home, weekender or rental. Ideally positioned in Walkamin and half way between Mareeba and Atherton; blocks of land in Walkamin are becoming hard to find. No covenants upon the block mean you can build to your preference pending council approvals.
