Three bedroom solid timber home, a stones throw away from the main street. In need of some tlc but certainly worth an inspection. Features include: - * 3 bedrooms, 2 with built-ins plus small office. Large main bedroom with ceiling fan.* Shower over bath plus vanity & separate toilet. Second toilet downstairs.* Tidy kitchen with ample cupboards.* Roomy lounge area plus dining space.* New floor coverings.* Enclosed downstairs area with laundry room.* Spacious backyard with garden shed - 1027 sqm block.* Single carport attached to the house. With a fresh paint this could make for comfortable living in a quiet country town but still only a half hour from Dalby which has good shops, hospital & schools.
