Price On Request

This stunning single-level residence nestled in the heart of Calderwood. Boasting a perfect blend of style, space, and functionality, this home offers everything your family desires and more. Step inside to find four generously sized bedrooms, each with a built in wardrobe and the master bedroom providing a walk in wardrobe and ensuite, ample accommodation for the entire family. The home features three distinct living areas, offering versatility and relaxation for entertainment and downtime. The gourmet kitchen is a chef's dream, equipped with stainless steel appliances and complemented by a convenient butler's pantry. The children's wing provides a dedicated space for your little ones, ensuring privacy and room for play and study. Outside, enjoy the luxury of space with a generous 540 square meters of land, perfect for outdoor activities and entertaining. Landscaped gardens provide a private outdoor sanctuary, ideal for alfresco dining and leisure activities. Stay cool and comfortable year-round with ducted air conditioning throughout the home. Embrace sustainable living and lower energy bills with the inclusion of solar panels, while high ceilings enhance the feeling of space and luxury. Conveniently located in the family-friendly suburb of Calderwood, this home offers easy access to schools, parks, shopping, and transport options. Enjoy the tranquility of suburban living while still being within reach of everything you need for modern convenience. Don't miss this opportunity to secure your dream home in one of Calderwood's most sought-after locations.
