With attractive street appeal and a nice quiet location, 36 Jacquier Crescent presents a great opportunity to purchase a tidy family home with a nice big outdoor entertaining area, an inviting entrance and 3 bedrooms and a dressing room off the side of the master. Once you arrive at the front of the home you will appreciate the return driveway that leads across the front of the house to the front door and back to the road surrounded by attractive low maintenance gardens. Inside you will be welcomed into the entrance hall through to a fresh and light L-shaped lounge dine that follows through to the kitchen and casual family dining area. Located near the bedrooms in the centre of the home is a well sized bathroom with separate bath shower and vanity with a separate toilet and laundry next door. Externally the house provides a nice private courtyard at the side of the home and a large undercover fully fenced private entertaining area, 12m long x 4.5 m wide carport leading to the garage. Services and additional improvements include re-sealed tiled roof, roller shutter to the front windows, uniform glazed tiled floors, 3 reverse cycle split system air conditioners and 21 solar panels (8.19kw) A very nice relaxing neat, and complete family retreatRLA2154
