It doesn't get much easier than this. This home has just had its renovations completed in mind for Airbnb with licenses/registrations in place and it had just commenced down the advertising path. However a new project is on the horizon for these property owners so all their hard work can be your gain. This home is a beautifully renovated cedar clad home with a Colourbond roof and a carport on a 2602m² parkland cleared green titled block with the lake across the road, so you can take a stroll around the lake at your leisure and take in the breathtaking views and all the wildlife. Perhaps you may even enjoy some kayaking on the lake!! This home has a brand new kitchen installed with dishwasher, induction cooktop, rangehood and electric oven. The bathroom is also beautiful and newly renovated. Everything is pure quality and there is nothing to do, just move in and enjoy!! Complete with beautiful timber floors through out, perfectly low maintenance and a combination of wood fire and reverse cycle air conditioning with open style living. Additional to this is the beautiful timber deck, an extension to your living space. Perfect for the summer evenings ahead. The furniture is amazingly appointed and in perfect design - purchase is an option by separate negotiation. Don't hesitate on this one, you won't find another of this presentation!!
