Thoughtfully designed for modern family living, this three bedroom, two bathroom mid-century gem has been renovated to perfection. Introduced by pretty landscaped gardens, front porch and inviting façade, the heart of the home delivers a spacious kitchen/living/dining zone opening to a large undercover deck, perfect for entertaining. The ultramodern kitchen features stone benchtops, breakfast bar, ample cabinetry and stainless steel appliances including a freestanding cooker and dishwasher. The luxe master bedroom boasts built-in robes and a tasteful ensuite. Ideal for family activities, the huge backyard is a sure winner. A garage with rear roller door, extra off-street parking, heating/cooling, Strathmore College zoning and easy access to shops, schools, parks and freeway will delight.
