## **Auction**

Grab this home while the opportunity exists! A classic old style I'Pilly home, built in underneath - an area used for all sorts of life needs. Upstairs is a classic 1960s house. The bathroom and kitchen have been renovated in recent times. This is the first time this house has been offered for sale in 43 years! The stories it could tell! With a lovely wide frontage, on a no through road it's one of only 18 houses, a very private enclave. The property is tenanted which means access is limited to the inspection times. Excellent school catchments Indooroopilly State and High and SMT.
