This very well maintained and inviting 3 bedroom, 2 bathroom house is ready and waiting for a new family or couple. All you have to do is move in and make it feel like home. It offers you a great sized living area, separate kitchen and dining space, huge rear yard and double garage/workshop. There is plenty of space to move around and with the master bedroom and full ensuite set at the rear of the home, it also gives parents a space of their own to relax and unwind. Creature comforts include ducted heating and cooling throughout the home, along with ceiling fans, gas cook top, and tandem driveway. All of this and you're only an 8-9mins drive from the heart of Glen Waverley, with The Glen shopping centre and railway station. Or a 5-6min drive from Knox Shopping centre.
