\$1,400,000

A diverse and luxurious property situated on 1,726m² of land adjacent to subtropical reserve with never ending views overlooking rich farmland onto the Coral Sea. Featuring a timeless contemporary design with a northern aspect allowing Ocean views but maintaining privacy, from any of the seven levels. Boasting the best of all entertaining possibilities from formal private dining to the expanse of Alfresco entertainment, the architectural design of the home allows you to drink in these breathtaking views. Bask in the resort like feel of the home, as it celebrates the ideal relaxed Queensland lifestyle. All levels of this 4-bedroom, 3-bathroom home only add to its ability to cater for varying family and guest requirements. Positioned halfway between the vibrant growing sea -side town of Bargara & the regional hub of Bundaberg with its city support mechanisms, medical, airport, business and shopping. Embrace the exclusivity of not only the architectural design of the home but also the location, situated perfectly on the Coral Coast on top the only populated elevated vantage point for 100 kms. Where else could you find such an elegantly designed home, nestled on the subtropical Queensland coast, with views that expand from the sweeping patchwork of agricultural farmland onto your own personal gateway to the southern Great Barrier Reef? - Currently rented for \$825 per week till Oct 2024- 75,000 litre 9m approx. inground Magnesium saltwater pool- 4kw Solar power system** Please note that all advertised Furnitures are not current as the property is presently tenanted.
