An exceptional opportunity awaits in the serene enclave of Sandstone Lakes—a meticulously renovated 3-bedroom home poised to redefine the standards of opulence and comfort. This residence, cradled in the embrace of nature's beauty, seamlessly harmonizes modern sophistication with the tranquility of its surroundings. Prepare to be captivated as we unveil the remarkable features of this exquisite property. Upon entering, a palpable sense of excitement envelops you, compelling a desire to explore further. The kitchen stands as a culinary masterpiece, showcasing waterfall stone benchtops that elegantly marry both form and function. Beyond being a mere cooking space, it serves as a canvas for culinary creativity, a convivial gathering point for friends and family, and a testament to an unwavering commitment to luxury living. Boasting four distinct living zones—a generous family room, a rumpus room, an office space befitting a Fortune 500 company CEO, and an outdoor living area designed for grand entertainment gatherings—this home is tailored for families that cherish space and versatility. Enjoy year-round comfort with split system air conditioning and ceiling fans strategically placed throughout the residence. Each bedroom is a haven in its own right, ensuring a tranquil night's sleep. The master bedroom, featuring an ensuite and an expansive walk-in robe akin to the Taj Mahal, provides an exclusive retreat for relaxation and indulgence. Commune with nature through an outdoor shower and the most exotic of outdoor saunas—an invigorating addition that seamlessly integrates the elements into your daily routine. Embrace the natural beauty of Sandstone Lakes while safeguarding the privacy and comfort of your home.
