The home has been completely renovated with double-glazed windows, a new kitchen, plus a butler's pantry as well. Wooden floors throughout the home. The home has 2 decks to enjoy the summer sun. The home catches the sun all day and has a warm feeling inside the home, the wood heater has an oven underneath for cooking the family a pizza or Sunday roast. The garage is 64 square metres with a bath and toilet area, with a good space for a workshop and also a mezzanine floor for storage. The location is a flat walk into town, the block backs onto a running creek.
