Open to offers. Rare large block in Mount Pleasant with a 1920's home ripe for renovation. This is a true "renovator's delight"! Property is in original condition with all the right ingredients to make a substantial, impressive home with all the character you could want. Position is perfect. Currently arranged as a two bedroom home. Home has a large kitchen and dining area (dining area could easily be a third bedroom), two large bedrooms on the other side of the central corridor. Timber floors throughout. Bathroom and laundry are to the rear of the home and will need work/renovation. Property has two large sheds. Large rear garden, ready for fruit trees, chooks, veggie garden and much more. The property is walking distance to the hospital, bakery, butcher, Post Office, whisky maker, chemist, schools, hotel, farmer's market and so much more. Property will make a perfect investment or make it your country residence. Country space, peace and tranquillity is ready to be yours!
