Brand new to the market is 36 Sproule Road and not one to be missed. The home has a light airy feeling throughout with high ceilings and a fresh colour palette. Ceiling fans in all bedrooms as well as an air con in the main bedroom and living area. The main bedroom features a great sized walk-in robe through to the ensuite. The ensuite is also of great size, with a twin basin vanity and spacious shower. Stone bench tops in the kitchen and electrical appliances, including a dishwasher. 2 open plan living areas. Outside is fully fenced and low maintenance - only a mulched garden bed at the back.
