Indulge in the epitome of luxury living with this exquisite low set ex- display home. Step inside and be captivated by the exceptional features and unrivalled craftsmanship that make this home a true masterpiece. This stunning residence features four spacious bedrooms and two bathrooms, providing ample space for comfortable living. The fully ducted 6-zone air conditioning system ensures optimal comfort in every room, while the Bluescope Steel framed build guarantees durability and longevity. Embrace sustainable living with the impressive 10kW premium solar system and 8kW Fronius Inverter, installed in 2022, offering reduced energy costs and eco-friendly practices. Attention to detail extends to the practical aspects of the home, such as the seamless flooring that extends right through to the garage along with the internal storage cupboard, providing ample space for all your storage needs. You can rest assured knowing that safety and security are paramount. The fully alarmed house offers the option for back-to-base remote monitoring, ensuring the protection and peace of mind for you and your loved ones. This remarkable property presents a unique opportunity as a brand new, never-lived-in ex-display home. Experience the luxurious features and state-of-the-art appliances, with all warranties seamlessly passing to the buyer. Embrace the unparalleled comfort, sophistication, and convenience that this extraordinary property offers. Additionally, the option to purchase all furniture separately allows you to effortlessly step into a fully furnished and luxurious lifestyle. Don't miss the chance to immerse yourself in the epitome of luxury living. Your dream home awaits, where every detail has been meticulously crafted to exceed your expectations.
