Located steps to Port Douglas's primary thoroughfare yet tucked away from the noise of traffic and neighbours, there are few properties more conveniently placed than 360 Port Douglas Road. Positioned down a resplendent avenue of rainforest trees, this beautiful getaway gives a whole new meaning to easy living in the tropics. This spacious family home boasts modern amenities and fresh, neutral decor. Four comfortable bedrooms, including a fabulous primary suite complete with walk-in robes and a full ensuite bathroom, allow for flexibility and privacy. Why not turn one into a tranquil office, playroom or guest room? A separate laundry room, garage, and covered carport provide ample space for storage, while a light-filled and open-plan living area is perfect for entertaining. A substantial central breakfast bar and kitchen bench overlook the lounge and dining area, creating a seamless flow through the home from the front garden to the back terrace. Set upon over 1,222m2 of land, it's no surprise that said back terrace overlooks an enormous garden. A wonderfully kept grass lawn framed by lush tropical foliage provides a blank canvas for relaxing and entertaining, with backyard barbecues and warm summer evenings under the stars just the beginning, 360 Port Douglas Road is located just 500m from iconic Four Mile Beach, and sits even closer to several local shops and restaurants. Macrossan Street, home to world-class restaurants, boutique shopping and entertainment, is just minutes by car.
