Auction Location: On site Behind a traditional facade this light-filled terrace features an inspirational refurbishment, architect designed to maximise space and let the sun shine in. A home as sophisticated as it is generous. With a sense of individuality and crisp sculptural lines, it fuses smart finishes with designer style and a flexible layout, flowing seamlessly indoors and out, the open-plan living/dining leading to a huge sunny courtyard. Metres from East Sydney restaurants, Oxford Street lifestyle, and the CBD, it's also incredibly secluded behind quiet double glazing. In a historic loop, with panoramic city/bridge views out back, the outlooks are never to be built out. Free Building & Pest Report at bw.com.au.
