Renovated to perfection, this delightful family home offers fresh contemporary flair, touches of retained character and more indoor-outdoor space than you could possibly imagine! Set on a huge 597m<sup>2</sup> corner block with beautiful wrap-around gardens, the home sits just metres from highly regarded schools, transport, shops and recreational amenities. Enjoying a bright and breezy north-east aspect, the expansive open-plan living areas flow to an alfresco entertaining deck overlooking secure lawns with plenty of space for the trampoline, cubby house and annual family cricket match! The kitchen and bathroom are ultra-modern, the bedrooms are all oversized and the interior is warmed by rich hardwood floors and timber sash windows. Ideal for the growing or established family, potential also exists to take advantage of the home's large block, to extend its footprint, adding further living space and value. But for now, simply move in and enjoy!
