This incredible house is waiting for its new tenants! With five bedrooms, two full bathrooms, and two separate toilets distributed over two stories, it offers plenty of space to satisfy all your lifestyle needs. The recently updated kitchen is incredibly spacious and well-lit, with lots of storage room in its ample white cabinets and pantry, new modern appliances, a chic tiled backsplash, and sparkling bench tops. Adjacent to it, you'll find a sizeable dining area on one side and a generously sized living room on the other. The bedrooms are all located on the main floor, and they boast practical built-in closets, plush carpeting, ceiling fans, and plenty of light coming through the vast windows. A study is also located on this floor. Downstairs, you'll find two flexible rooms (one is air conditioned and even has a built-in robe!) that you could use as a rumpus, a teenager's retreat, an at-home art studio or a home gym - the possibilities are endless! Other features of this amazing home include an attached patio with a large shed, and ecological 8.0 KW solar panels to save on your energy bill. Perfectly situated, you'll be close to schools, and Stafford City Shopping Center, with all the shops, conveniences, and entertainment it offers.
