Step off the train, step in from the bars and restaurants, step up and take a view to your future. Going above and beyond on every level with an up-scale one bedroom plus home-office design, this panorama-view apartment rises above it all with balcony access for both the living zone and the bedroom, natural light for the nursery-sized home-office... and a breathtaking 180° bay view – across Hobsons Bay to the You Yangs and around to the edge of the city! Starring a 5 Star balcony-suite with ensuite-access via a dual-robed dressing-area, this elevated apartment takes lock-and leave comfort to new heights with a European appliance kitchen with gas-cooktop and drawer-dishwasher, a super-sized two-way ensuite-bathroom, and a large European laundry with room for storage. Styled with cool stone benchtops and coastal floors, this reverse-cycle air-conditioned apartment is secured by video intercom entry and fob-access security-lift to a basement carspace with storage. Situated right where vibrant Glenhuntly Rd meets the blue-chip residential surrounds of the historic Rippon Lea Estate, there's the cinema and after-the-movie hospitality at the door, the tram and train at the end of the street, the Station Reserve parklands and playgrounds around the corner, and the CBD within sight ..and 18 minutes by rail!
