With backyard views of the fairway and a short walk to the newly refurbished Gympie Sports Club, this beautiful townhouse is in a quiet location with privacy, serenity, and security all on offer. Situated within the resort style strip of Corella Road, this townhouse is a 24/7 holiday and peaceful home or a solid investment. Spread out over two floors, this two bedroom home provides a spacious floor plan for any couple or young family. Perfect for the owner-occupier or the savvy investor. The open plan living area has all the comforts of any modern home with a meals area, open kitchen and air-conditioned living space. The brightly finished kitchen boasts stone bench tops, a pantry, dishwasher, electric stove, oven, ample fridge space and a breakfast bar. Throughout the rest of the townhouse you will find two bedrooms, two bathrooms and laundry area. For absolute comfort, both the master and second bedroom are fitted with their own air conditioning. The master bedroom also sports a walk-in-robe and the additional bedroom has a built-ins robe for storage. There is the added bonus of a third toilet downstairs. The resort-style complex commands an amazing view over the golf course. Perfect for those keen on sports and also perfect for those seeking a quiet lifestyle. Plenty of opportunity available to relax at a number of shared amenities. With full access to the gorgeous pool, gym and barbecue area, without any of the hassle of maintenance. There's also an on-site manager for added security and peace of mind. With morning views of wallabies on the fairway, Sports Club bistro around the corner for delicious meals, and only a 3km walk to Mary Street in the heart of Gympie, what more could you want from a property?
