37 and 39 Second St, Owen could be yours to build (STCC*) and create the country lifestyle you have always wanted. The flat clean blocks have water and electricity passing. Owen primary school is located diagonally across, only a stones throw away, and the main street with Hotel, Post Office and Café is an easy stroll. School buses service the town for high school students in either a private or public school located in Balaklava. Local sports facilities include Owen Golf Club (winter) and Owen Swimming Pool (summer). Commuting for work is a breeze taking only 28 minutes to reach the Highway at Two Wells, and 36 minutes to Gawler. Take a drive, enjoy the country air, and take a look for yourself.
