Brinley Obray

Vintage dream!

This beautiful vintage property has been brilliantly restored, with its old unique charm still the main focus of the house. This property is the perfect first home or investment!

The beautifully established and maintained lush front lawn hits you straight away with vibrant green hues and the colourful flowers blooming from the gardens. The large living room boasts stunning ash brown coloured wide plank floorboards, ample light from the windows that all feature timber casings, a split system air conditioner and a wood fire heater for those warmer months. Through to the kitchen features a modern overall look with a sleek black oven/cooktop, matte black fittings and ample bench and cupboard space. Through to the bedrooms are three good sized bedrooms all featuring floorboards, with the centrally positioned main bathroom boasting a vanity, toilet and shower. The laundry provides neutral toned tiles and a generous amount of space for your convenience.

Outside is a huge space boasting a paved undercover entertainment area, established lawns and garden beds, an undercover carport/extra entertainment area and a large shed.
