Solid well built three bedroom home plus a two bedroom dependable person unit all set on a generous parcel of land in tranquil Rosebud South, just minutes away from Waterfall Gully Shops, local schools, bushland reserves and of course the world class beaches that have made the Mornington Peninsula a popular destination to call home. Windows surround the central open plan kitchen/dining/lounge area of the main house and a private deck gives you a quiet space to enjoy the outdoors. The layout includes three bedrooms with built-in robes, plus ensuite, and a well appointed bathroom. Outside there is plenty of room and ample parking space for cars or boats/caravans with a double carport plus garage. The two bedroom self contained unit has double glazed windows and a modern fit-out which is complemented by modern cooking appliances including dishwasher and is serviced by split systems.
