The interior layout features a nice kitchen, spacious dining area and a lounge that all combines to create an open plan living environment. Adjoining the dining area is an outdoor deck that is a natural extension to the home and enjoys ample sun from its Northerly aspect. Three bedrooms all with built-in robes and a two-way bathroom complete a very neat and appealing property. The allotment is fully landscaped and near level with secure fencing, making it ideal for the young family. Pets considered on application.
