Enjoying panoramic 360° views over 7 acres of your own surrounding farmland, this spacious loft-style 3-bedroom homestead is a golden ticket to rural bliss! Away from all the hubbub while just a short drive into town, you're free to shape this opportunity however you please and raise livestock, keep horses, farm the land, set up a home business or simply soak up the country lifestyle. The high-pitched cathedral ceilings with exposed timber beams establish an incredible sense of space within the home, pairing beautifully with the brick walls throughout for truly timeless rustic charm. The spacious lounge is the central hub of the home, flowing ahead to a formal dining space where surrounding windows capture every angle of the breathtaking skyline sweeping across the land. Also adjoining here is the well-appointed kitchen, sharing in the skyline views and equipped with a dishwasher, excellent storage, a tiled splashback and great bench space with a cosy breakfast bar. All bedrooms are comfortably carpeted, with the master nestled privately on the main floor with its own walk-in robe and large ensuite complete with toilet, shower, mirrored vanity and luxurious corner spa bath. Both generous upstairs bedrooms are accessed via their own staircase and share in the spaciousness of the soaring ceilings, while the larger also features a timber-decked balcony that perfectly surveys the surrounding farmland. Completing the main floor is a large rear laundry with a guest shower and toilet, as well as a paved undercover patio where you can lounge, dine or enjoy a drink with guests as you delight them with that stunning skyline view. Parking is provided in the single lock-up garage and additional covered double carport, while a separate 9m by 3m powered shed is also available for extra garaging or a home office/workshop. Despite your total privacy and serenity, it's just a 7-minute drive into Parkes town centre for Parkes Metroplaza, quality schooling, local cafés, major parkland, medical services and transport from Parkes train station. This outstanding country homestead must be seen to be believed, so call Sandra today.
