With a rural outlook on the fringe of Singleton's CBD, this large 4 bedroom home is positioned on a generous 1104sqm block. The elevated residence features: • Modern & spacious kitchen with large oven and gas stove top. • Good sized main bathroom complete w/ claw foot bath. • Master bedroom with walk in robe and ensuite featuring an extra large shower. • Spacious meals area off the kitchen which flows through to the lounge and rumpus rooms, featuring a combustion wood fireplace and study nook. • Split system air conditioning and ceiling fans throughout the home. • Wrap around verandahs. The backyard is fully fenced and easily accessible with excellent access to the double garage with an abundance of off-street parking and is complete with an in-ground swimming pool.
