Period beauty meets modern living and lifestyle excellence in the heart of Keiraville. Opening to a sun-drenched aspect at the rear, the light-filled open-plan family and dining room is an entertainer's dream - headlined by the renovated kitchen with stone benchtops, stainless steel appliances and dishwasher. Sliding doors create an effortless transition to summer enjoyment, extending entirely to the private entertainment area, extensively paved and surrounded by lush established greenery. This exquisite 2 bedroom home has the potential to be easily converted to a third bedroom by utilising the back lounge room. The home also features a single garage with workshop, carport, water tank, plenty of storage and reverse-cycle air conditioning. With beautiful views of Mt Keira, embrace premier living in Keiraville close to the Botanical Gardens, Wollongong University, public transport, local village shops, primary school, and amenities.
