Phone Enquiry ID: 224202 Situated in a picturesque spot in Harmony alongside a walking trail with mountain views, this property, a corner block, is close to the future Bruce Highway exit and consists of four bedrooms and three bathrooms. Two master bedrooms have ensuites and would be perfect for the large family or for a share home to create a potentially larger return. The living area is spacious and flows onto the outside alfresco area that faces away from neighbours and capitalises on the views, making it ideal to relax and enjoy the outdoors. The kitchen boasts a walk-in pantry, dishwasher, electric cooktops and stone bench tops incorporating the breakfast bar for the family. The other two bedrooms share a bathroom with shower, bath and separate toilet room. A double lock up garage to secure your vehicles with direct access to the house. Inspection will not disappoint.
