\$1,150,000 - \$1,250,000

Nestled in nature in the highly-sought after suburb of Mount Pleasant lies this peaceful three bedroom home that'll anticipate your family's every need. Providing plenty of creature comforts and a versatile floor plan, it spans over two levels offering multiple living and entertaining areas with two cosy fireplaces, a workshop to suit hobby enthusiasts and side-hustlers, two refreshed bathrooms with separate toilets, original pine flooring and a well-proportioned study that could be easily converted into a fourth bedroom. Set on a 721 sqm block, the leafy backyard is the true stand out, primed and ready to turn your landscaping or veggie patch dreams into a reality with plenty of space left for the kids to play while you watch on from the elevated tiled patio. Features • Original kitchen with ample storage and dining area • Cosy lounge and sitting room with open fireplace • Large tiled entertaining deck, leafy yard • Laundry with shower and seperate toilet • Rumpus room downstairs with split system a/c
