Sensational Potential - South Mackay Entry level property where you can comfortably live whilst making improvements can be hard to find, this cottage-style home is the exception. Whilst it's obvious the outside needs a little love and affection the property internally is a sweet surprise. A generous open plan tiled air-conditioned living space with large well well-maintained kitchen make it instantly obvious this home is big on potential. Three well-sized bedrooms with built-in robes (2 air conditioned) and a neat and tidy main bathroom also add to the comfort and function of the home. The property is fully security screened, fully fenced and has plenty of space for cars and storage with a garden shed, single bay shed and carport. The home sits on an impressive 778m² allotment and was flood free in 2008! Located within walking distance to the beach, Harrup Park, schools and sporting precincts it's hard to believe the possibilities and opportunities. This prime opportunity awaits new owners.
