Boasting a sun-drenched, northeasterly aspect and cinematic views across the bay, this contemporary home is nestled into an elevated, easy care block above the waterfront. A brilliant renovation by architect Karen Burke has created a sleek and sophisticated getaway across two stylish level of living and entertaining space; the smartly finished interiors create an extraordinary coastal vibe with stacker doors offering a truly open layout – there's very little distinction between living indoors and out. An additional bonus is a fully self-contained lower level – it's a fabulous option when inviting guests and extended family out for the holidays and long, lazy weekends.

- Crisp, coastal design themes paired with a sweeping open plan layout
- Relaxed, year-round entertaining with a sheltered, wraparound deck
- Immersed in lush greenery, the home offers exceptional privacy
- Contemporary open plan kitchen with gas cooktop and casual meals bar
- Three double bedrooms with BIRs on main level, two on ground floor
- Lower level is fully self-contained w/separate lounge + kitchenette
- Stacker doors, glass louvres, spotted gum floors and beach shower
- Air con, combustion fireplace, lock-up garage plus driveway for parking
- Short stroll to the waterfront, moments into Hardys Bay amenities
