This loved family home is ideally located with a few minutes drive of the bustling Karringal Hub shopping centre, Ballam Park, McClelland Park & Gallery and Peninsula Link. On offer is a lovely brick 3 bedroom home with built-in robes. The second bedroom has a great built-in study nook. The light bright kitchen was renovated in 2018 and includes E/O, E/H/P, dishwasher, glass splash backs and a clever by design "pull out" pantry. Flowing from the kitchen is a meals area. The good size lounge has a reverse cycle air conditioner and is big enough to incorporate a formal dining area. Original polished floorboards feature through the entire home. A family bathroom includes a bath and shower with a separate toilet. Stepping outside you will find a covered alfresco. Behind double gates in the driveway there is plenty of parking for a caravan/trailer/boat as well as extra parking for cars. This property is located close to Karringal Primary, St. John's Primary, McClelland Secondary College, John Paul College and multiple kindergartens. Book an inspection today.
