This house is built for easy living. Enjoy high ceilings and built off the ground on metal posts combined with corrugated iron on the ceiling and louvres between the two skillion roofs make air flow perfect. Fully air-conditioned as well (air-conditioners are As Is condition). Full size kitchen with electric stove, room for a large fridge and windows with views over the back yard and shed or onto the deck. Two queen size bedrooms, the master with deck or as your private space looking up into the hills. The second away from the master with the bathroom in between. Vinyl floors for easy cleaning, features of corrugated iron and gyprock make this such a cool funky house. The shed is approx 6 x 6 and has a bathroom and laundry combined. Ideal as for a teenager, a guest room or for extra income Airbnb. Lots of options. The timber deck is huge and the ideal spot to enjoy any time of the day or evening. The best breeze flows along here that you'll want to spend loads of hours here. Located on a corner block, so easy access to the house and shed. Fully fenced and with two water tanks for extra water supply to the house and shed. Room for gardens, kids to play, pets to run free if they wish. Single undercover carport and outside laundry awaits. For more information or to take a closer look, please call Kendall anytime on 0417 167 695.
