A seemingly humble home to those walking by, a single step through the front door reveals a wonderfully crafted, expansive, and timeless interior. Constructed with a flawless attention to detail, soaring ceilings are embellished with delicate, intricate patterns, each room containing its own, authentic design. An open living zone is graced with natural light and contains a delightful north-facing aspect. Featuring beautiful curved walls, large timber framed windows and a statement gas log fire paved with stone, this living space radiates coastal comfort. A spacious kitchen contains a servery to an adjoining rumpus room and includes polished timber floors, an open layout and ample storage space. Equipped with an array of accommodation, sleeping quarters comprise 3 generous bedrooms with built-in robes, including a master bedroom with a contemporary ensuite. Built to last the test of time, a solid brick exterior is beautifully blended with a terracotta roof, while a spacious rear yard provides an ideal setting for backyard BBQ's, room for the kids to play or a tranquil place to soak up the Lonsdale sun. Tucked peacefully away from the street and situated in a superb location just moments from Point Lonsdale's shopping precinct and main beach, at one end of the street is pristine coastline and at the other is the green rolling hills of the Lonsdale Links golf course.
