Harmonising a collection of bright interior spaces with excellent outdoor entertaining, this spacious home presents the perfect lifestyle haven for the family seeking space to entertain and room to grow. Unfolding before you, the home's beautifully refreshed dimensions provide clean neutral tones and a cohesive design that commences with a welcoming entrance foyer, resting to the side of the formal lounge and boasting a handy cloak closet. Set to the right of the entry, the large family room draws in an abundance of natural light and connects through to a separate kitchen and meals zone incorporating a 900mm Ilve gas cooktop/oven, Solt dishwasher, soft-close cabinetry, walk-in pantry plus a breakfast bench. An effortless indoor-outdoor interaction is enjoyed here, with a glass door opening onto an alfresco entertaining deck before stepping down to the backyard where fabulous entertaining can continue, complete with lawns, paving, covered barbeque zone and a large tan bark area – the ideal space to set up a firepit. Capturing the comforts of new carpet, the four robed bedrooms include a master bedroom with walk-through-robe to ensuite, supplemented by a study/5th bedroom, bright family bathroom, separate toilet and laundry. Freshly painted, the home is further enhanced by ducted heating, evaporative cooling, solar panels, storage shed plus a double carport. Superbly situated, within close proximity to Ringwood North Primary School, Norwood Secondary College, Yarra Valley Grammar, Ringwood North shops, Eastland Shopping Centre, parkland and reserves, transport plus Eastlink.
