This approx. 936m² block is ideally located in the middle of town, with rear lane access. Power, sewerage and water all available for connection. An extremely rare opportunity to secure a near 1/4 acre flat and level block. Build a large home (STCA) and have decent shedding, yet still have room for the children and pets to play. An ideal unit development site (STCA). The house next door which is approx. 1,002 m² is also on market. Secure both and have a 1,938 m² block in the middle of town.
