\$550 per week

This lovely freshly painted and carpeted home features 3 bedrooms all with built in robes. The open plan, light filled kitchen, meals and living area overlook a sunny, north facing backyard area and under roof entertaining area. A second living area comes off the master bedroom and is a good place to find some quiet time. Large double garage, workshop/garden shed, carport, established gardens and close proximity to schools, shops, sporting facilities & beach make this an excellent family home.
