Simply stunning residence in a sought after street in Treendale! Large 837 sqm corner block with easy access to caravan and boat parking from the side street, plus side access into the yard. The house faces the reserve and river beyond that - perfect for taking a stroll along the paths and river bank. The home is fantastic with quality features throughout, large living areas and stunning kitchen. Awesome outdoor areas complete the home. Other features include air conditioning, solar panels, bore and attic storage.
