There is nothing better than brand new and this beautifully appointed 4-bedroom, 2-bathroom home is no exception. Positioned within the sought-after Redstone Estate close to the township, airport, and freeways, it dishes up stylish, ready-to-enjoy accommodation in an easy-to-maintain setting - and is the perfect proposition for every stage and phase of family living. • Single level and awash with standout inclusions, the home has been finished to the highest of standards throughout. • Dual living zones ensure family harmony - a sitting room/lounge is a setting of peace and tranquillity, while the open plan living/dining zone is a space designed to bring loved ones together. • Quality stainless steel appliances, a central entertainer's island and butler's pantry are highlights of the sophisticated gourmet kitchen which is a culinary setting that is bound to please even the fussiest of chefs. Stone bench throughout the kitchen and butler's pantry. • The master bedroom is a sanctuary in every sense. Located at the front of the home, it has the luxury of its own designer ensuite along with a large walk-in robe. • Built-in robes can be found in all the remaining bedrooms. They share a stunning main bathroom with handmade and terrazzo-style tiles and matte black fixtures. • A full laundry is also offered along with a separate WC and refrigerated cooling and heating while the double auto garage has the convenience of direct house and rear access. • Neatly manicured, the blank canvas backyard is yours to design and finish!
