Envisioned by award-winner Rob Meyerson with interiors by globally acclaimed Smac Studios, this stunning duplex is a symphony of space and light with a connoisseur's eye for detail. Inspired by the glamour of the Amalfi Coast, interiors exhibit a sublime medley of Venetian plaster, limewashed walls, quartzite benchtops and top-shelf materials at the cutting edge of contemporary design. Both levels feature exquisite proportions that heighten the sense of space and flow, with an upper level liberated by double-height ceilings and the intake of northerly light. Experience five-star luxury in the design of the bedrooms and the effortless grace of the entertaining level, featuring a high-end integrated kitchen and a Bisazza-tiled pool. It's perfectly positioned for family living in Bondi, offering effortless access to day-to-day conveniences, prestige schools and the iconic Bondi Beach.
