Please note that all open homes times are in NSW time zone. Bring your tools along to this 1978-built AV Jennings family-owned single-level brick-and-tile home and put your stamp on it! You'll love the 3.6-metre direct water access from your block to drop your boat or jet ski into the sparkling waterways the Tweed has to offer. The car accommodation is superb! With a double metal garage out the back and full rear yard access via your drive-through lock-up garage. This property does need a lot of work and must be sold to finalise the estate. So bring your cash and make a Splash to 37 Wyuna Road in Beautiful Blue Waters Estate so that you don't want to find yourself paying, "I'd have paid that!"
