An enchanting 4.2-acre (approximately) environment with diverse opportunities, 'Little Farm' showcases a charming 2-bedroom cottage ready for creative transformation, plus a distinctive entertainment area with income-generating potential through its recording studio and unique live-music venue. The original homestead showcases incredible space through its 2-bedroom layout, with multiple living and dining spaces and a separate home office. Up to four bedrooms could be created within its unique interior, with options to renovate its classic indoor-outdoor design, relocate it further back into the allotment for that extra layer of peace and privacy, or explore the options to rebuild a dream home (STCA). Dance the night away in the "Chook Shed" - an enormous live music-style venue with its own stage and wet bar. Ample room for lounge suites, dining spaces, and a pool table offer the potential for unforgettable parties or weddings, with a sound-proof recording studio setup positioned to the rear, ideal for the budding creator or producer. Additional amenities within this complex include a two-part machinery workshop, self-contained 2-bedroom accommodation, and stables connecting to the three fenced paddocks at the rear.
