This home offers many possibilities, it is down and out but recoverable. If you are looking for a "renovator" this might be the one for you.- Set on half an acre at over 2,000 square metres approximately.- Approximately 38 kilometres from Oberon with sealed road access- The house is laid out with two bedrooms with enough room to make a walk-in robe or office space in each- One bathroom that is generous in size - Kitchen with some decent cupboard space and a good size pantry, electric stove- Lounge room with slow combustion wood heating- Connected to mains power- Being sold "as is" This renovator's delight is the budget buy of the hour, there is work to be done.
