This stunning family home offers so much: three double bedrooms, one with built-in robes (BIR), two renovated bathrooms (one with a bath), all in a prime location close to schools, shops, and parks. It boasts elegant original features, including Jarrah floorboards, art deco ceilings, and an original fireplace. The state-of-the-art kitchen features loft ceilings, pristine white cabinetry, wooden countertops, and high-quality appliances, including a spacious 5-burner gas cooktop and electric oven. Perfect for entertaining, the property includes a custom-built large front porch and a massive undercover alfresco dining area with new sandstone tiles. You'll never want to be indoors! Additionally, there's a huge workshop/shed/studio that offers endless possibilities for hobbies, storage, or creative space. If the large yard isn't enough, you have access to the local park from the rear gate. Modern LED downlights, CCTV cameras, and shutters provide added privacy and security. Don't miss out on this opportunity! Register now to view. ****Please note that the property is not furnished****
