Victoria's largest master planned community located in Kalkallo, just 38km north from Melbourne's CBD. Set to become a future city for the northern suburbs, residents will have access to schools, retail centres, medical facilities and well connected public transport in the future. One of the community's most popular playgrounds ideally located next to Dwyer Street Café making it the perfect community hang out spot. You can get top marks for education with a number of established schools nearby and plans for another 8 schools to be built within the community over the next 30 years. Local neighbourhood shopping areas as well as a future city centre will provide a major retail and commercial precinct to the Cloverton as the city evolves in the future. We're proudly part of the ABN Group, Australia's leading construction, property and finance company, and owned by partners Aidan Hooper and Dale Alcock. The ABN Group was established in 1978. Since then, with a family of 22 companies across Victoria and Western Australia, we're still true to our philosophy of building every home as if it's our own. We've built more than 88,000 homes and we've steadfastly maintained our attention to quality. So, although you may be building your first home, we have built many. And with every home we build, we only get better. A delightful home for the whole family to enjoy. The Harvey is the perfect blend of stylish design and thoughtful use of space. Positioned at the front of the home, the master bedroom features a large walk-in robe and ensuite with a double shower and provides optimal privacy for a secluded retreat. The three minor bedrooms are located toward the rear of the home, each offering a generous size complete with built-in robes and a shared bathroom. The kitchen and expansive open plan living area make entertaining easy, yet functional. Enjoy the benefits of three kitchen benchtops and hide all that unwanted clutter with the large walk-in pantry, giving you plentiful storage and keeping your fridge out of sight. The main island bench also provides an area for casual and informal entertaining with the kitchen sink located along the adjacent benchtop. The Harvey also includes a dedicated second living area with flexibility to cater for a home theatre or study, whilst the outdoor living provides an abundance of natural light, bringing you versatility for a smooth and functional flowing home from start to finish.
