Nestled on just over 5 gentle acres with views to inspire, this home is one to make your own, offering an amazing opportunity to create the ultimate lifestyle property. Privately set off the road this meticulously maintained and much-loved brick residence has stood the test of time, offering a wonderful floorplan with plenty of potential for future expansion. A large open living area graced with hardwood floors, wood burning heater with a wall of windows that drenches the room with light and provides amazing panoramic views. All three bedrooms feature built in wardrobes and bay windows that showcase the surrounding lush gardens. The Tasmanian Oak kitchen provides plenty of bench space with an adjoining meals area and separate dining room. Outside an expansive undercover deck showcases the captivating views over the entire property toward the ridgeline beyond. A truly special place to create family memories. The balance of the property is fenced into 3 paddocks with a large dam and cattle race. Wonderfully planted gardens with feature shade trees and further complimented by a citrus orchard. Other notable features include- split system air conditioner, double car garage, open three bay shed with separate office/studio and orchard. Situated within easy reach of all amenities this is a property that will allow you to live the relaxed country life you crave with everything close by.
