Are you searching for a home that's low maintenance, move-in ready, freehold title and close to amenities? This is a must for your Saturday inspection list! Stepping inside you will notice that the front facade is deceiving as the home goes on and on offering two living areas plus all the bedrooms offering built-in robes and the ensuite larger than most 1 bathroom properties. The open plan kitchen, living and dining overlooks the outdoor undercover area and grassed backyard which is large enough for young kids and pets to play but small enough not to have to worry about how long it will take to mow, there is even room for those green thumbs to start a veggie garden or plant out their own landscaping oasis. The property is conveniently located only 2 minutes drive to food outlets and IGA and only 3 minutes to the Raby Bay Harbour Bars and Restaurants. For those who commute to Brisbane, the bus stop is under 300m away to depart, but less than 60m from the front door at the end of the day. Our seller's have started packing and they're ready to go!
