Flawless craftsmanship, cutting-edge bespoke aesthetic and a sun bathed entertainer's backyard all combine to deliver an idyllic family sanctuary in this brand-new full brick architectural duplex. The home's luxury design elements have been meticulously sourced and are of premium quality. Soaring ceilings and European Oak flooring define stylish living and dining zones, while exquisite custom joinery, natural stone and Parisi tapware are showcased throughout. A striking open plan living/dining area is both a refined space for relaxation and entertaining, while connoisseurs will adore the gourmet island kitchen complete with smart stone benchtops, quality Ilve gas appliances and a butler's pantry. Interiors enjoy a seamless transition to a superb entertainment courtyard with a fully-equipped integrated kitchen with gas cooktop, followed by a sun washed level backyard with a saltwater swimming pool amid beautifully landscaped gardens. Family excellence continues with a spacious family room on the upper level complete with a kitchenette, while the five well-proportioned bedrooms are appointed with custom built-in wardrobes and the master features a walk-through wardrobe and a deluxe ensuite. Further highlights include zoned ducted air conditioning, sensor lighting, extensive custom storage/cabinetry, multiple ceiling fans and TV/data points in each room.
