How good is this lovely 2 bedroom home on its own block (no body corporate) located centrally and only a stone throw from supermarket, post office, doctors, hospital and other shops. Very well presented and ideally suited to first home buyers, retirees, investors and those looking for an Airbnb (furniture available at extra cost) do not miss this opportunity. Boasting 2 bedrooms with built in robes, open plan living/dining area, spacious kitchen, central bathroom with separate bath tub. Outside there is a low maintenance yard with an entertainment area and a single lock up garage. This property is a move in and put you feet up as there is nothing to do. Call today to book your inspection before it`s too late.
